Member directory: Figured out a way to lock down the cells so only a few people have access to make changes. I need to move the current document over to a Google sheet vs XLSX. Once this is done, we need to re-establish the shortcut links in the RRC and DC folders. Is there anywhere else we have a link?

Dispatch Comms Committee: nothing new

Back up RED Center: Still looking for free time to reach out to Eaton and Wexford. Did we find a business agreement to work off of?

MI, WI, IL RED Center meetings: no changes. Chris Leinhart retired this past week. They have an Interim director. Not sure if these will continue. Should I try to restart these meetings or is there any value?

New Validations: No new ones. Who gets the signed agreements? I received some from Tuscola and I want to make sure documents, directories, roll calls, rosters all get updated.

Zoom: No issues with the meetings. I think we have this solved

Pool cars at HVA.
