MABAS 101: Working on dates and locations for next year.

IL Dispatcher Hands on class: Attempted to sit down with Chief Nicholai

Dispatch Comms Committee: Moving the meetings to the 1st Tuesday of the month starting January. This way we are before the next Exec board meeting if we need to approve policies and training, we don't have to wait as long.

Moving the Dispatch roll calls to various times for 2024. 0500, 0545, 0600, 0645, 1545 throughout the year on a schedule. Drafting an email for the directors to view and ask questions before we implement. Not sure what month it will start, I am not getting much feedback or help from this committee on moving projects forward.

I have one fire chief with interest in joining the committee.

RED Center: no changes, just short staffed like everyone else.

MI, WI, IL RED Center meetings: no changes

New Validations: Oakland Co has a new Rescue Tower. This has been added to the maps and the directory. I did not add an Everbridge since both validated teams are driven by the Tech Rescue group.
