### Erik

Exec Roll call / Planner RRC roll call / Div Dispatch Roll call:

Effective April roll call, the Division Dispatch will only be a radio roll call from here on out.

I need to make sure that the:

MABAS Division Dispatch Roll Call policy is changed, approved, and updated on the website.

MIMABAS Communications and Dispatch Plan is updated with the policy change in the Appendix

Everbridge: Keeping this up-to-date with any changes

Division exercises:

Mike Evans to discuss the notification process for MABAS assets when he gets back from Europe in a few weeks.

- Do we instruct divisions to contact divisions for strike teams, task forces, or specialty teams?
- Trying to cut down the amount of time in notifications using the RED center when an IC knows XYZ division has the resources they could just send.
- The IC could notify RED on the MABAS DSP talk group that MABAS assets are being deployed.
- Erik has been teaching the MABAS 101 classes that it is okay to go division to division for assets. Just at some point notify the RED center.

April 19th around 0900 - Livingston Co will call RED center due to bldg collapse and req 3201 TRT team. There is no equipment deploying. Just the team to the POD to see how long and get the paperwork moved to people.

Sept 2024 - DATE TBD - Oakland TRT will respond to the collapsed bldg in Rochester. They will request agencies to deploy teams and do operational periods to make sure transfers work. Bigger event to happen.

### MABAS 101:

Having issues with communication from 3701 HZMT and TRT to participate in Escanaba scenario. May have to reach out to divisions to play with strike team response?

- Escanaba 4/27 0730-1300 and 2nd class 1400-2000 -
- Escanaba 4/28 0730-1300 and 2nd class 1400-2000 -
- Reese FD Tuscola 5/13 0900-1500 - big turnout of people attending
- DTW 5/29 0900-1500 - This is turning into a big turnout
- Jackson FD 6/3 0900-1500
- Ann Arbor 6/7 0900-1500
- Muskegon 10/4 0900-1500
- Muskegon 10/5 0900-1500

These classes are bringing in a lot of FDs, Chiefs, officers, etc. Is this going to be an issue? They are finding the class to be helpful to them.

Requests for classes

- Saginaw / Bay Co
- Clinton Co
- Genesee Co
- Kent Co
