## Public Safety/Services Drone (sUAS) Training

- When:** Tuesday, October 14<sup>th</sup> and Wednesday, October 15<sup>th</sup>, 2025
- Where:** Green Oak Fire Department  
[Green Oak Township Fire Department Michigan - Search](#)
- Time:** 8:00 a.m. to 4:30 p.m. both days
- Presenter:** Mike Magda is a lead instructor as a Federal Aviation Administration (FAA) Safety Team Member, pilot, and a retired City of Livonia Fire Battalion Chief.
- Description:** This two-day training program is designed for personnel to satisfy the high standards of operating small Unmanned Aircraft Systems (sUAS) in the public domain during fires, search & rescue operations, investigations, infrastructure inspections, and training. Once the student has completed the pre-class assignments and the two-day course, attendees may challenge the FAA's Part 107 test to safely fly sUAS in National Airspace.
- Training Objectives:** Upon course completion, the attendee will be able to:
- Understand Part 107 of the FAA's remote pilot program
  - Demonstrate a working knowledge of drones (sUAS)
  - Demonstrate how to safely fly drones (sUAS)
  - Understand national airspace limitations
  - Assist in the development of sUAS guidelines for your organization, etc.
- Cost:** \$150 for MMRMA members, \$250 for non-members. **Only 20 seats available.**
- Register:** Contact Sarah Pogorzelski to register at [Spogorzelski@mmrma.org](mailto:Spogorzelski@mmrma.org). Attendees will receive confirmation upon registration.
- Information:** Please contact Phil Kamm at [pkamm@mmrma.org](mailto:pkamm@mmrma.org) or 313-402-5810 with any questions regarding this training opportunity.
