<p>Mission Ready Package Requirements: The Ambulance Strike Team is a group of five (5) ambulances, either ALS or BLS or a combination, with common communications and a leader in a separate command vehicle. This team provides an operational group of ambulances complete with a supervisory element for organization command and control. Ambulance & Personnel are licensed and equipped as required by the State of Michigan and OSHA. An Ambulance Strike Team has a total of 11 personnel. All units should have the ability to communicate on the State of Michigan 800mhz system (strongly recommend MABAS Talkgroups).</p>
